

Charles A. Gullickson

September 14, 1949 - December 3, 2024

Charles "Chuck" Arthur Gullickson, 75, of Battle Ground, Washington passed unexpectedly and quickly into the arms of his Lord and Savior on Tuesday, December 3, 2024. Born on September 14, 1949, in Portland, Oregon, Chuck was one of five children born to Arthur and Louise Gullickson. Chuck met the love of his life, Dianne in 1967. They were married on July 25, 1969. Shortly before their marriage, Chuck joined the United States Army and served with honor during the Vietnam War. His courage and dedication earned him numerous commendations, including the Bronze Star. After his military service, Chuck built a successful and fulfilling career. He worked as a millwright and a diesel mechanic. Chuck and Dianne were blessed with the birth of their daughter Jennie, in 1976, followed by another blessing, their son Adam in 1983. Chuck's greatest joy in life was his family, and he poured his love, guidance, and faith into raising his children. Above all else, Chuck was a man of deep faith whose love for God guided every aspect of his life. He often reminded others of the peace and hope found in Christ, a peace that now surrounds him in Heaven. A man of many talents and interests, Chuck earned his pilot's license and loved flying. He also had a passion for traveling, particularly to Alaska and Montana. He enjoyed hunting and experiencing the beauty of the outdoors. He was an avid gun collector, finding joy in the craftsmanship and history of firearms. He had a knack for horse trading and always loved striking a good deal. Chuck was preceded in death by his parents, Arthur and Louise Gullickson, sister Carolyn Wanke and brother-in-

law Kenneth Wanke. Chuck is survived by his wife of 55 years, Dianne Gullickson; children Jennie Easter (Dan), Adam Gullickson, his siblings, June Gullickson, Bonnie Folwell and Gene Gullickson, and a numerous of nieces, nephews, and friends. In keeping with Chuck's wishes, a private graveside service will be held at the Venersborg Cemetery. A Celebration of Life will be planned at a later date. Though his passing was sudden, Chuck's life was full of love, adventure, service and faith. His legacy will live on in the hearts of all who were blessed to know him.

“ When Chuck and I were young, like in the picture below. He use to tease me and pick on me. Well, One day I had enough, so I thought, I'm going to get him back. So I hid behind a door frame and when Chuck walked by, I jumped out and slugged him in the stomach, (haha i got him) and I took off running into the middle of the field.(thinking he couldn't reach me) I started making faces at him, fingers in my ears, waving, (naner naner nanerr) jumping up and down! Well he grabbed a horse shoe that was sitting on the fence and threw it at me.("he told dad I ran into it") wahahaha! He knocked out my front teeth!! Boy, oh, boy! we both got in trouble! Had to spend the hole day in the same room, looking at each other. That was torture!

We would laugh about this story all the time.

I am going to miss you brother, you were my IDOL, my HERO!

Tell Mom, Dad, Carol hello and I'm doing fine.

I love you!
