“ Charlie will be miss by me greatly.I work at evergreen olympic drug& hardware.I asked every day if charlie was comming in.He always had a smile for me.We talked a lot about his garden and he brought me some zuccine.The music would play at the store and he would walk up to my regester and do a few dance steps.I am going to miss him very very much.He had a very big heart and always kind words. He will be missed by all the olympic crew.Some day i hope to see him again dancing and playing music in heaven. Avis

“ I have soo many fond memories of you big brother. I will always remember your kind hesrt and especially when we switched from our little one room schoolhose to the BIG school (it had 4 rooms) you were a grade ahead of me but refused to go instead yiu went to my grade to look out for me, of course the school had you skip third grade so that you would be in the correct grade. My very fondest memory is how wonderful you were to our Mommy and she learned to dance in her 80' so she could dance with her baby boy, what joy that brought her. Your pain is over and ours is just beginning. I know you are in Heaven or on your way, you are gonna have a wonderful reunion, give our Mommy an extra hug for me. Rest in peace big brother, I will always love and miss you. Nancy
