“ Chris was an amazing bright spirit any time you saw or talked to her....always happy & smiling! She loved her Jazzercise work out and rarely missed coming. She was always happy to share about her hiking adventures and her love of life truly shined thru her. What a beautiful soul she was. May she rest in peace and be reunited with her husband.

“ I miss so much. You were the best co-pilot. We had so much fun just finding new places for us to go. I'm so lost right now. You're not here for us to have a new adventure. I just keep looking at your apartment wishing it was all a bad dream. I know your in gods hands. I also know you and Jim are still hugging.
Love you my BFF
