

Christopher M. Sewall

June 8, 1960 - November 16, 2021

Christopher Mathew Sewall

June 8, 1960 - November 16, 2021

It is with a heavy but grateful heart we announce the passing of Christopher Mathew Sewall. Chris "Uncle Buck" passed away peacefully at his home in Vancouver, Washington on November 16, 2021.

We are thankful Chris is no longer in pain and suffering as he struggled with health issues for many years and take comfort in knowing our parents were there to welcome him Home.

Chris was the eldest son to Bert and Beverly Sewall and grew up and lived in Vancouver, WA. Chris graduated from Fort Vancouver High School in 1978 and was a Washington State wrestling champion. Chris attended the University of Washington and was a member of the Delta Upsilon fraternity. Chris spent his life working as a salesperson and enjoyed connecting with each person he met. Chris had a larger than life presence and his infectious personality, knack for storytelling, positive attitude and giving nature will be greatly missed.

Chris was preceded in death by his loving mother, Beverly and father, Bert Sewall. Chris is survived by his brother Scott Sewall, sister Linda Sewall, niece Julia Sewall, nephews Joseph Sewall and Caleb Bartro.

A graveside service will be held at Evergreen Memorial Gardens 1101 NE 112th Ave, Vancouver, WA 98684 on Friday, December 3, 2021 at 2pm for family and friends. Please dress warmly and bring an umbrella.

In lieu of flowers, Chris would have loved for a donation to be made to someone in need.

“ Chris is my long time buddy. Football, wrestling, poker, Vegas, Ilani, golf. We worked hard and played. Lived well. Ate good, drank the good stuff. I like to think I helped toughen him up to be the State Heavyweight Champ. Me and fellow wrestlers, Blane, Dean, John, Hoss and others would gang up on him as one on one we were over matched. Later in life we had many fun times together. Disney cruise, Vegas, Ilani. Always had fun. Even when he was battling diabetes we took Chris to Vegas. In his scooter he was everywhere, often being the last one standing as we all called it a night. We had some tremendous meals together, Victoria and Alberts in Disney World was one, but the best had to be Maestros in Las Vegas where Chris had read up and you could order lobster by the pound. He ordered a 4lb lobster and they flew it in from Maine. His smile was huge as me Bev Linda and Scott had a fabulous dinner. I have so many wonderful memories we shared together. I miss you, my true lifetime friend. Hope to see yo7 again some day. Del Brown

“ Christopher I couldn't have asked for a more loving high school sweetheart than you. You were a rock throughout those years. We had such fun: * going to countless wrestling tournaments (remember the one time we arrived for an invitational tourney and we had the wrong date? Your mom handled it well. Good thing we were in the motor home :) Do they still have mat maids ?? *German Club dinners at the "German" restaurant *You driving us to Fort every morning listening to Led Zeppelin and Rush * Dances, we went to them all. Proms, Homecoming, Sadie Hawkins. A new formal dress for each :) You were so very handsome in your tux. Funny, I don't remember if we danced a lot ;) *Linda and I had fun too. She was a great boss: Carmel Corn and Corndogs. * Scott and I had fun too, if you can call our adventure driving back to Vancouver in a snow storm after visiting you at the UW fun. So many warm memories. I always thought that I would see you again one day and we would giggle about when we were young. Until then, enjoy the other side. Warm wishes and love to your family Laura Schaeffer Roudebush

“ Chris was a great guy, loved his jokes, made me laugh even when i could be having the worse day he would turn it around and have me smiling. Always had a great piece of mind to keep eveyone happy even if he was having the worse day himself.. My condolences and prayers go out to family. RIP my friend, Will miss you, but will see you again my friend when that time comes. Unlill then behave. Love you always lisa
