“ Dear Ms. Claudia , You were always someone I had a great connection with while working together. You were always very passionate about your work and always wanted whats best for those around you. You worked hard every day and we shared many great laughs and conversations together, this saddens me but I know you are in greater hands above! Thank you for everything you've shown and taught me. Love you always!

“ It was a privilege to work with Claudia. She was a talented artist and  
a gentle soul. I am glad we have her Elephant Goddess on display  
at the library.
