“ What a great life.I know his first love was his soulmate my Aunt Marion then his family and life itself.He was truly blessed with gifts from GOD and it showed. I am going to miss the Christmas letters from him.I only hope my life can be half as great as his.May the peace of our LORD be with you Beth,Dave and all. Clayton

“ My earliest memories of uncle Clayton are getting v-mail from England during the war and the sombreros he brought (or sent) from Mexico. After the war he had a 49 ford convertible!
