“ I haven't seen Casey in many years, but was very saddened to find out that she had passed. She was such a strong woman and an inspiration to me at one point in my life...I wish I would've had the chance to see and talk to her again. My heart goes out to all of you that were close to her.

“ Robin and Kids, Thank you all for sending my sister, your wife, your mother, off with such a GRAND FAREWELL. What a tribute it was, for after all she was indeed a GRAND LADY. I know one thing for sure, our Casey is "Loving us all up real good" and smiling down with such pride, as she loved us all so very very much. I love you all!!
