“ *1st picture is Cody using my invention; he was helping promote my product at groove nation here in vancouver, he was one of my workout models.  
2nd picture is Cody doing his thing as a DJ at a local house party here in Vancouver. Incredibly talented.  
3rd picture is the picture he sent me for his model picture to use on my Kickstarter page when I first ran my invention. He really believed in my product. Always carried a smile; he and I could talk for hours laughing the whole time.  
He was a great man, a rare breed.  
He was my friend.  
He will be missed.

“ My thoughts, prayers and condolences to my sister and brother-in-law, Mark and Carmen Peebles. May God give you the strength, hope and direction that is so desperately needed right now in these difficult times... we will never know the answers as to why our beautiful, handsome, intelligent, vibrant child of GOD, Cody left us SO soon.

Cody always had such a fun spirited witty Ness about him. His beautiful smile, intelligent mind, and love for music, family in life was priceless..... we have so many great memories together. I will never ever forget any of them. As I was introduced to you when you were born, I've never seen your Mom & Dad so happy. The memories of you egg hunting and putting the eggs in your mouth, which just cracked me up. or when we would cheers with our cups on Christmas Eve. I would do anything to cheers with you again.... or when you would pick me up and you'd have the best and we would just be bop all the way home. For a time there I couldn't believe that my nephew was doing my taxes, I thought it was so cool. Sweet Cody grew up to be such a wonderful man. I love you with all my heart and I will miss you even more. God bless you sweet angel. God bless you greatly. Our hearts will never be the same. Until we meet again, Fly, baby, Fly, free, flying bird. Here's to you Coadster... You will forever be a part of my soul

I love you and I thank you for bringing joy to my life for so many years. I'm so grateful you came into this world and I was able to be your Auntie.

I WILL ALWAYS LOVE YOU & MISS YOU.💔💙🙏🏻✝️
