“ The Lord has taken a very sweet angel to reign in heaven and watch over her family and friends. Colleen had a beautiful voice. I loved listening to her sing. Along with that talent she could boogie the keys off a piano. I will miss you dear friend of 55 years but you are out of pain and in a better place. You were loved by many and you loved many. May you Rest In Peace with your family now and foreverâ ¤Ÿ,

“ Colleen, you were a unique lady, one of which stood out in a crowd with a bright smile and laughter. A devoted woman to family and friends and always had a positive outlook. The world is a better place because you were in it. I wish I could have thanked you for being such a good friend to my Mom. I love you and your memory will live on in many, including myself.
