“ So Sorry to hear of your loss, She was such an inspiration when I met her over 45 years ago. She gave me a beautiful baby shower and blessed me so much. She became a big Part of our family and then she had this beautiful little girl Lisa. Lisa has grown to be such a blessing to others and loves the Lord and such a picture of her Mother Colleen's nature and grace. You are such an example, Blessings and Love and Prayers to your family. Love you lots Lisa. Rosie Ingram
