“ *My Dear Sweet Connie, I miss you every moment of every day. I am sorry I was not at the memorial at the river with the balloons. Your daughter, Kristin, did not invite me. We were best friends and I was the last person you spoke to and you asked for me. It was a cruel act on her part. I am heartbroken but you will always be remembered. My husband Tim and I were best friends for the last 16 years, with you and Lon and spent many good times together. I miss you my love.*
