“ *Oh my sweet gram! You will forever hold a special place in my heart. I was blessed to be able to live with you for 1 whole year, where we made nothing but great memories. You are the best grandma a girl could ever ask for. Always there for your family! There is not one thing you wouldn't do for a loved one or someone who crossed your path that was in a time of need. I'm so grateful that I got to call you grandma. Until we meet again, rest easy. I love you millions gram.*
