“ I was sorry to read that Dale had passed away. He was a great guy to work with. He loved his wife Beth. Always calling her little bit. I also enjoyed going out to dinner with Dale & Beth's cousin "Pookie." He was a great guy. Willing to repair things for you & always trying to put a smile on your face. Hope he went in peace.

“ I wish I had known that Dale left us and returned home. I just was informed of it today. I would have loved to be at his service to say my goodbyes. I worked with Dale some years back. He was always a beam of sunshine! Always had a kind word (unless you irritated him-then it was a colorful word!) and was genuinely concerned about the things going on in my life. I missed him a lot when I no longer worked there, but tried to keep in touch. I attended the funeral of his dear Wife, and it was great to see him again, even in such circumstances. He was happy to see me too, so much, he gave me a big ol smack-a-roo!! I know Dale is happy where he is. He is probably causing mischief and giving all the girlies a hard time!! I will miss him so very much!! My condolences to the family,
