“ *Not a day goes by that I don't think about you. I miss your words of wisdom so much...you gave me hope...you were my rock..the one piece of stability I had in my life.. . I would give anything just to hear your voice again....I love you Dad and I'm so grateful for the 30 years we had.*

“ *Our most profound and sincere condolences on the loss of such a fine husband and father. To Doreen and I he was a wonderful Brother-in-law, a smiling loving man, who never had a bad word for anyone and was always kind, loving and helpful to those around him. God must have needed a new Ambassador for Heaven to take him away, so soon, from such a loving wife and daughter; but worry not Chris and Amy you will be re-united once again...just not yet. So miss him if you must for now, but know someday you will be in his loving arms again, and then it will be for eternity...Tony Pesce*
