“ I am the youngest of Dales two children. I hope that many of you will be able to make it to my dads service. I myself am still in a state of disbelief and ball of emotions, my dad was too young. I would like everyone who knew my dad to please if you can share kind thoughts and fond memories you have of him at his service. It has really been nice to hear how my dad has touched peoples lives. Thank you all so much for the support and help you have and continue to provide.
