“ Marion and family, I am so sad for Dan's passing. I hope you feel everyone's support during this time. I met and was around Dan a few times and saw how in love he was of all of you. Joanie (Chris' sister)

“ My heart goes out to you and your family. Dan was a great person and he loved his family so very much. He was lucky to have all the love and support. Dan had a great smile and a wonderful laugh that will be missed. My deepest sympathy for your loss.
