“ This is to Shaena, I haven't seen you for 30 plus years. I have thought of you and Dad from time to time. I am sorry for your loss. I lost DJ five years ago on Fathers Day weekend. He was a wonderful man. I miss him dearly. I hate that my grandchildren will never know him. I hope you are well. I honestly can't tell you why I am writing you this just wanted you to know you are thought of. Take care. Angie

“ I will always remember how he adored my daughter Madison, bouncing her on his knee and singing to her. To her...He was her YaYa. Dan was such a genuinely kind hearted person, and he definately did his part in serving his country in the military for 22 yrs. I am at so glad to know that he is at peace right now and free of all burdens that interfered with pursuing happiness in his life. He is a loved man by everyone, we're all left with all the good memories that were made with him and will never forget! Glad you've made it to the next stage in our existance...and are completely in utter peace right now. Thanks for touching our lives the way you have, you will never be forgotten! And someday we'll see you again my friend....so I'm not gonna even say goodbye. Til then, see ya later! We love You! Love Krystle French
