“ Dan, you filled our lives and hearts with your one-of-a-kind friendship. Your quick wit and humor left our stomachs hurting from laughter. From standing by our side on a hot summer day helping paint our new shed, making sure our kids had a ride up the hill on those cold days, surprising us with dirty rice only after I spent days begging for it, being there for us when we lost Dad, sitting in our living room for hours discussing life and so much more. Nothing will ever take away the bond we shared. We found your friendship to be so genuine and irreplaceable. I hope you never questioned how much we love you.

“ It is impossible to believe our "Dan-o" is gone. Such an amazing friend and "Uncle Dan" to our girls. Your loyalty as a friend was incomparable, as was your sense of humor. We will miss you always and forever.

“ *Though the time I got to spend with Dan as my friend was short and the time between has been long, I never forgott his friendship and his whitey and totally histrirical sense of humor. He will truly be missed. My heart and prayers go out to his family. Jana, I am so sorry for your loss. You will always be in my heart and thoughts no matter how much time has passed. If you ever need anything don't hesitate to let me know.*
