“ We worked with Danny and he was quite a character. He was also a real collector, if you needed anything, he would have it at his place! He will be missed. Our thoughts and prayers go out to Sandi and his kids.

“ God Bless and keep you Danny. I have always loved you and even idolized you as a child. You were my Big Brother. I saw more of you than I did Alvin or Larry. You came to see Mom and Dad almost every day after work. You were a great Son to them. I remember when you and Dad were going hunting and went of the road down a cliff. You both thought you were goners then.I will miss you but I know your up in Heaven with Dad, Mom, Larry, Kenneth, Grandma and Grandpa Chadwick.
