“ We will be thinking of you and keep you in our prayers as you go through this time of loss. I will always remember Aunt Darlene's shy smile and soft voice. I know mom and dad always looked forward to your visits as did us kids. The pictures and memories we have of those visits and your family will go on. May God keep you close and give you comfort.

“ Becky and Family, we are sorry about the loss of your Mother. It is always hard to see them suffer, yet harder to have them leave us. God bless you and your family at this time. We wish we could be with you. Love and prayers, Poncho and Anne

“ Aunt Darlene will be greatly missed! Her love of Uncle Don and Becky was always of utmost importance to her. A calmness always surrounded you when you were with her. I will always remember her as someone who was soft spoken and cared so much about others. I will cherish the memories of our families together during their visits back east when I was a little girl. Your family will be in my prayers during these difficult days.

“ Aunt Darlene has always had a special place in my heart. She was such a wonderful aunt! Gentle, kind, and soft spoken, she always made me feel I was cared about and special to her. I'll always remember our trips to the northwest to visit Uncle Don and Aunt Darlene and their trips to visit us in California. We always had a lot of laughs when our families got together. Aunt Darlene will be remembered with tremendous love by us all. To Uncle Don and Becky, my love and prayers are with you in this time of sadness.
