“ Rob, Debbie, Sandy and Diane, We share such great memories with your mom and family growing up. These are memories we will hold dear for ever. The friendship our mom and your mom shared was important to them through life and we are confident it continues now. We are out of town and will not be able to attend the service, but please know you are all in our thoughts and prayers. love, hugs and kisses, Becky (Swedblom) and Debbie (Palmer) Smythe

“ Getting to know and to work with Darlene in the 1970's and 1980's at Orchards Elementary was always a delightful experience. Darlene loved learning and loved children. They in turn, loved her. Years later we reconnected having lunch or dinner with longtime friends. Those were some of the best times with lots of laughter and memories shared. Daryle enjoyed making krumkake at Christmas time for Darlene. She would smile and shake her finger at him and say, "Don't forget my cookies." We will miss Darlene and her delightful sense of humor and kindness. We pray for her family at this most difficult time. We are so thankful to have been able to say goodbye to our special friend and to blow her a kiss.

“ *Darlene always wanted her daughter-in-law to call her Mom! So Mom, you have been my only mother for 30 years. I could not have asked for a better mother-in-law and have been made to feel welcome and loved by you and your family. You will be missed. Your son was so fond of calling you so many times a week. We all gathered together to talk to you, we will miss those calls. To all the girls and grandkids I am so sorry for your loss. Darlene was a lucky lady to have you to care for her and her sister these last few years. My thoughts and prayers are with you all. I share in your sorrow with a heavy heart.*

“ *Dear Diane and sisters, I was deeply saddened by your loss, but am so grateful for our eternal hope of being reunited with our loved ones! May you know the peace of His presence and comfort in the days ahead. As you have time, Diane, let me know when you might be available for coffee, dinner, etc.*
