“ David became a very close friend of my wife and Myself in 1980, we stayed in his home for 4 weeks, while ministering in Bible Temple,Portland and in other local Churches. David became a regular visitor to our Church in Lichfield ,England and to our ministry conferences in Bedworth. David laid great foundations relating to the Prophetic ministry in my life and Church, with other Restoration Truths. I had the privalege of ministering with him in prophetic gatherings in the UK and sharing many happy memories with him in our home. Many leaders in the UK were mightely blessed, restored and brought into "Present day Truth" in the 1980s through Davis ministry. A man deeply loved by myself and others. Miss you David till we meet again in Heaven. John Wyreyrvk

“ Dr. Blomgren was a tremendous teacher of the Word of God. I remember reading his articles in the Restoration magazine back in the early 1980's and then reading his books on the doctrine of Restoration and the prophetic ministry later on in that decade. I went to hear him preach at Tampa Bay Christian Center in the late 1980's with my wife and children. His preaching and teaching were always filled with hope and grace. Dr. Blomgren came to my home church in the Dallas, Texas area in 1993 as part of a prophetic presbytery team and he ministered to my wife and I prophetically. We have the transcript of what he spoke over us and it has blessed us and strengthen us in our faith over the years. I am thankful for his life of faithful witness to the power and love of our Lord Jesus Christ.

“ We will always remember Pastor Dave from Tampa Bay Christian Center in Brandon, FL. Those were some of the best years of our lives and we appreciated his ministry of the word and friendship tremendously. Marty loved playing raquetball and going on short-term mission trips with Pastor Dave. I remember the annual Christmas party every year, acting out the 12 days of Christmas, and Pastor Dave jumped on the table and acted out 6 geese a laying!
