“ We were in the Air Force stationed at Linkou Air Station in Taipei, Taiwan 1964-66 and knew the Gammelgard family thru church activities. We attended their daughter Sally's wedding in Greenville, SC. Vrboncic was my married name then. My late husband was Dave. It is Aug 2025 now. Was hoping to re-connect with some of the family. I recall Randy and Sally, their children. I believe Susan married a Smoak. My children were Susan, Allan, Jeanie Vrboncic. Susan passed Apr 2020. The others live in Valdosta, Ga. I'm on Facebook as Iris G. Carpenter now.

“ David is dearly missed by his friends at Cascade Park Village. He was a loving, tender husband to Edith and always cheerful & friendly. It was a privilege & honor to know him. Mary Wenger
