“ What I will remember most about my Uncle David is that he was always kind and gracious to me. He loved to write long letters about his travels, and had an amazing appetite for seeing the world and all it had to show him.

I remember a four day visit we made to LA where he had us out every day sightseeing and eating in various restaurants. I know his true calling was to be a tour director. He was a natural!

RIP Uncle David. Now you are exploring the unseen world beyond.

Safe travels. Enjoy!

Fondly, your niece, Debbie

“ *I give you this one thought to keep.*

I am with you still, I do not sleep.

I am a thousand winds that blow.

I am the diamond glints of snow.

I am the sunlight in the ripened grain.

I am the gentle autumn rain.

When you awaken in the morning's rush,

I am the swift uplifting rush...

Of quiet birds in circled flight.

I am the soft stars that shine at night.

Do not think of me as gone -

I am with you still in each new dawn."

RIP my brother.

Love,

your little sister,
