It is with the most deepest sorrow that we announce the passing of David Anthony Sanchez-Juarez born February 23, 1993. This unexpected tragedy occurred on Friday March, 30, 2019 at 12:45 am due to a fatal car accident. David was truly a one of a kind. If you had the pleasure to get to know him then you are left with memories you'll forever hold close. From the constant laughing and smiling to the joking and crazy ideas. He was a spontaneous thrill seeker that was always up for a challenge. Although David went threw more then most his age, he overcame his obstacles and barriers with determination and strength. His work ethic was unmatched. His presence was always felt. The impressions he left will last a life time.

He is loved by many and will be greatly missed. David is survived by his Mother, (Tara Reyes) Father, (Josue Sanchez Juarez) Fiance, (Haley Samuelson) and Children, (Nataleigh & Jullian Sanchez-Juarez) as well as his five Siblings, (Joey, Marc, Nick, Cece, and Sofia) and his beloved English bulldog Kiki.
