LI

“ Dawn is greatly missed. She was compassionate, kind, loyal, and loving. Not to mention beautiful inside and out. She would take the time to listen, and also share her sense of humor. I miss most being able to rely on each other in difficult times and enjoy the good times. Her family was most important to her. I cannot wait to see her hug them tightly when she is resurrected.

“ Dawn will always be remembered as the kind of friend or person who was always there for anyone in need. She love her Family fiercely, They were her everything. A year has gone by since we lost her, but there isn't a day that goes by when I do not miss her or remember a happy memory. How could you forget such a awesome friend or confidant? My prayers go out to everyone who struggles with the loss of this beautiful woman, Dawn Sparks. â™;â™;â™;

“ When we see her again she will be healthy and happy. Revelation 21:4 is a great comfort- "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.â€ I loved her and miss her deeply.

“ Mom was a wonderful person. She spread kindness and love wherever she went and changed all she met forever. I will always love and cherish the short fifteen years in which she was and still is my best and closest friend. I miss you mommy. It has been twenty years since the day daddy proposed to you. Happy anniversary. Love you mommy
