“ Oh Deanna, I needed one more time to laugh with you. But I guess that one time wouldn't have been enough and would have me wishing for another time, you left us all too soon. I will miss you. You were such a big part of mine and my kids lives.

“ I wish I had the time to get to know you more, but I'm thankful that I got to know you. I love the way she gave you a name if she didn't. Like your name. Like for me I told my name is Eddie and she told me NO you are Albert and that's what she called me. Love you always and never will forget you.....w
