“ Debi and I were friends and neighbors, spending many days together playing in our wonderful 5th street neighborhood. We also attended the same church. She was always upbeat with a smile on her face. Her decorating talents were truly amazing and I visited the Vancouver shop several times. She will be missed. Rest in peace Debi! We'll meet again!

“ Debi and I were friends since before first grade. We shared so many laughs and fun times. One of my best memories is our time in Job's Daughters. Chinese fire drills in our formals and dinners at Shakey's pizza on Job's visiting nights. We were SO fancy!! Marla, Criss and Debi cruising in the purple hornet and the ranchero with the music blasting. Debi will live on forever in my heart. My deepest condolences to all who loved her.
