“ My aunt Debbie. I will miss you so much you were always like a second mother to me. You always made us laugh. You are the fun aunt. Even when you were going through tough times you could always smile and laugh. You will always be my aunt boo boo. Love you.

“ Deb, you are loved and missed! ☐ For me you will always be laughter, boggle, colorful & fabulous scarves, jewelry, and the energy you brought when you walked into a room!

“ My Auntie Boo Boo.....so many fond memories you have given me. I'm tearing up just writing this. I loved you so very much. Family was **EVERYTHING** to you. You were my aunt, my friend, my second mom, and my confidante. You were so loud! So fun! So goofy! I love how I grew up not being afraid to be goofy and have fun. I learned that from my mom and you. You always had to have your outfit a certain way, especially your jewelry. You had a presence when you walked in the room and knew how to make everyone laugh and smile. Speaking of smiles, yours was contagious. One of my favorite memories is you taking me & Shawneen to the lake in the yellow van. We played in the lake and layed in the sun. Then drove off with Prince Purple Rain blasting in the van. Or when your drove that little bubble car (can't remember the make) and us sticking our arms out the windows waving up & down to make it look like the car was flying. I love you Boo Boo. Until we meet again to have some more fun again. I love you.

“ *Some of my fondest memories are of those growing up and hanging out at the Lehtos! Aunt Deb was always at the camp outs, swimming in the pool or playing with all of us kids ! She was fun, young at heart, beautiful and her memories will always be with us.*

“ *Deb was not my blood Aunt but I only knew her as Aunt Deb :). We grew up over at the Lehto house and Aunt Deb was a constant part of that. She was so nice to us kids and always had a smile on her face. As I got married and aged I had not seen her as much but still have fond memories and view her as family. She is truly missed.*

“ *Deb and I worked together and we went out after work together. Bowling was our fav activity. But, Deb never had anything clean to wear. We had a standing plan to meet at Freddie's for her find something new to wear. For years we laughed about her never having anything clean to wear.*
