“ Pamela Rayl (Debbie's Sister) My memories go to the happy days growing up on the farm with Debbie, we had so much fun riding horses and going on the annual cattle drives with Grandpa Buddy. Growing up on the farm each of us had our favorite chore, mine was getting the fields ready for crops and Debbie loved the harvest. She enjoyed it so much that Dad and Debbie would contract out for custom work during harvest. As adults we would spend time together on trips or visit each other's homes creating memories that will last a lifetime. Rest In Peace my dear Sister. I Love You.

“Debbie was my Grandma, and I loved her so very much. She was one of my best friends in life. I'll never forget how contagious her laugh was or how much fun we had. When I was kid we'd spend hours playing checkers and the laughs we shared are some of my most cherished memories. I'll never forget my grandma and how much love she had, I dreamed of her meeting my children one day. Her loss has been so unexpected and very painful, but the love that we shared will never be lost. I lost one of my best friends in life and I'll hold every memory I have with her very close to my heart. I love you grandma.

“ My Deepest sympathy and Prayers go out to the family and friends. I was her boy friend Denis. I oved her so much and miss her so much. I got to meet most of her family which I enjoyed. She was so loving ,giving ,and caring. She loved and cherished her time with her son and grandkids. She was such a amazing woman. We had taken several trips and she loved traveling. We had more planned for this fall and was working on more for next year. We went to Florida in April we went from St. Augustine down to Key West. She wanted to see everything she could. I know she will be missed so much. I could go on for ever about her. Rest In Peace my Love. She is with God Now I just miss her so much .

“ My sympathy to Debbie's family. I was shocked to hear she had died. I met Debbie when I came down from Canada to visit my Davey family when I met her. I thought she was such a lovely person - so enjoying her grandchildren. I remember we ladies went to a nail salon, and Emma was so excited to be there (shewas much younger then).

“ I'm so sad for all of you children, grandchildren, family and friends. Debbie was always upbeat and happy. It was a pleasure to be around her. We took a trip to Desert Trip with her and Marcia. It was so much fun. The concert, touring Palm Springs and our nights out together. We will never forget it. I wish we would have done more together. She loved her family and friends so very much. Even though she wasn't close to our home she was and is always in our hearts.

“ I had the pleasure of working with Debbie at NW Adventure Rentals. She was the realest person you would ever meet. She told you exactly the way it was. That's why is so amazing about her. You don't get people like that every day. I looked up to her so much and will truly miss her. I'm still in shock and my heart goes out to her family.
