“ *I remember the first time I had the privilege of meeting Della , she was a very vibrant woman, strong minded and sometimes stubborn. I think that is why we had a great relationship, she reminded me so much of my own mother and a little like myself. I am so thankful I was able to say good bye and hear her last words to me which I will always hold in my heart. Thank you Della for welcoming me into the family. I will miss you.*

Love your granddaughter Star
