“ Sachiko, I was so very sorry to hear about the loss of Del. My heart goes out to you during this time of overwhelming grief. The loneliness you feel in losing your loving husband of over 40 years must be unbearable. I am so glad that Mimi is there for you. “ Our hearts go out to you. Del will be greatly missed by all who knew him. Our thoughts, prayers and love are with you at this time of loss. "Do Not Stand At My Grave and Weep" Do not stand at my grave and weep, I am not there, I do not sleep. I am in a thousand winds that blow, I am the softly falling snow. I am the gentle showers of rain, I am the fields of ripening grain. I am in the morning hush, I am in the graceful rush Of beautiful birds in circling flight, I am the starshine of the night. I am in the flowers that bloom, I am in a quiet room. I am in the birds that sing, I am in each lovely thing. Do not stand at my grave and cry, I am not there. I do not die. Mary Elizabeth Frye With heartfelt sympathy and love David, Liz and Khalid

“ My family has lived across the street from Del and his wife for 10 years. What a great man, he was always there to lend a hand and had a heart of gold. He was also great with my kids, they adored him. He would ride over to my place on his lawn tractor and we would talk about all kinds of things. He helped me fix mowers and tractors and anything that had moving parts. He made sacrifices for this country others could never imagine - THANK YOU!!! Del -we miss you buddy. I know your in heaven wearing that blue Halton Hat right now.

“ I was so sorry to hear this news. My heart goes out to you both. I also remember being "scared" by Del a time or two when I would go to your house many years ago. I hope you are able to find some peace in all your wonderful memories. Please know that you are both in my thoughts and prayers. Also know that if you need anything, big or small, please call me.

“ My heart aches for my second family. Dad Eagles truly was a special person. I loved him as if he were my own. In fact, my Dad and Del were like two peas in a pod. Both loved bowling, casino, served in the military, fishing, and so much more. I'll never forget the first time I met Del, I went to Mimi's house for the first time, and Del hid around the corner trying to scare Mimi, he jumped out it and it was me that he scared. I just remembered that I just screamed and screamed. While Mimi was laughing so hard. It was quite the first impression. Mom Eagles and Mimi, you both are in my prayers during this difficult time. My kids and I love you both very much. Please lean on us if you need anything. God Bless!
