“ John, Dee, a beautiful lady and child of God. Unchanging, unabashed, and steadfast in her dedication to Him. Christ welcomes her to His Kingdom with open and protective arms. Some thirty-five years ago, I was blessed to meet you and Dee. You both became friends and I had the added bonus of a talented and skilled barber, until you moved. God will provide the strength to get you through this. Gerry

“ John, we are so glad that we were able to spend time with you and Dee 'back when'. Movie nights, dinner out, mini golf, and more. There was no one else like our Dee. She and I were unlikely friends at first glance, but we both loved our cats, and we were both outspoken and not one to mince words. She will be missed, in so many ways.

“ John, We thank the Lord that He loaned Dee to us for a time. She was a very special lady and each of us feels the loss of her not being here. May you feel God's special comforting arms around you. Please let us know if and when we can be of help to you in the days ahead! We continue to pray for you that you will feel God's presence near you in a special way.

“ John, Bill and I are so sorry about Dee's passing. One of my memories of Dee continues to make me laugh. When Bill and I were looking at the house for sale next to yours, Dee was out in your front yard. She noticed our CA license plate. After a few minutes, she walked over to us and introduced herself. She then said "now you two Californians don't come here and pay too much for this house and ruin it for the rest of us in the neighborhood." I've always liked that about Dee. You didn't ever have to wonder what was on her mind. She told you! We've been friends and neighbors for 8-1/2 years. We'll miss her. And you already know that we're here for you.
