

Diane Mary Niemeyer

March 30, 1947 - September 23, 2020

Diane Mary Niemeyer Hayduk, passed away peacefully at Glenwood Place in Vancouver, WA on Sept. 23, 2020. She was 73. Diane was born in Rome, NY, in 1947 to Paul & Helen Hayduk.

In 1981, Diane moved to Vancouver, WA, where she settled and raised her family, Robert and Peter.

Diane worked for Clark County Real Property for 32 years, retiring in March 2020. It was a career; she enjoyed working with people she loved.

Diane had an adventurous spirit and loved to travel, gardening, shopping and spending time at the beach.

She believed her highest blessing and accomplishment was her family and was most eager when it came to spending time with them and did so at every opportunity. Diane especially cherished spending time with her granddaughter and great-granddaughter.

She had a strong love for the Lord; she was always smiling, was a cheerful giver and went out of her way to make people happy and feel welcomed and part of her family.

Diane is survived by her two sisters, Beverly Hayduk and Karen Schneider; sons, Robert Niemeyer and Peter Niemeyer and his wife, Lisa; granddaughter, Shelby and great-granddaughter, Meya.

Those left behind will miss Diane greatly, but know we will see her again and she will forever be in our hearts and those of all she touched.

Due to COVID-19, there will not be a public service. We take this opportunity to thank the amazing caregivers at Glenwood Place who provided wonderful care in her last days. We'd also like to thank the kind and wonderful people at PeaceHealth Hospice for their care of Diane. Both Glenwood and PeaceHealth provided our family with great peace during the most difficult time. In lieu of flowers, please feel free to make a donation in Diane's name to PeaceHealth Hospice.

“ Diane and I worked near each other for ten years, each in our own departments. I enjoy that she always brought her best self to work every day. She brought life to every interaction and office event. She complimented my cooking as if I had missed my calling as a chef. I smiled and thanked her, knowing there was a woman at home who makes goodies good. I missed her when she retired as Covid kept us all in our separate places. I miss her more knowing I will never have the opportunity to say thank you or goodbye.

“ I worked with Diane for about 10 years. She always helped me when I needed assistance and was always a pleasant person to interact with at work. She always said hi and asked how I was when we saw each other at work in the hallways, elevators, or even the bathroom! My sympathy to her family and she is truly missed.

“ I was sadden to here of Diane's passing. We had worked in the same building for years and she was a go to person when I had questions. She was always willing to help and was always in a upbeat positive mood.
