

Dolores L. Glantz

May 15, 1936 - November 20, 2022

Mom, sister, and aunt, Dolores Glantz, age 86, passed away peacefully on November 20, 2022. She was born in 1936, in St. Louis, Missouri, to Maurice and Bertha Movitz. Dolores was a very caring and wonderfully devoted mother to her son Jason. She was a loving sister to Marlene, Marshall, and the late Barry, and an aunt to many nieces and nephews. As a single mother, she sacrificed a lot in her life raising her son, making sure he had the proper upbringing and education to succeed in life. She was the epitome of unconditional love. Dolores loved social gatherings and if there was music being played, you couldn't stop her from dancing. She was an excellent cook and her favorite dish for family events was her famous jello molds. Her spare time was spent with her son and enjoying being outside in the sunshine. Dolores met Norman, her life partner and dear friend in 1986, after a nice introduction made by her late mother. Together they enjoyed going to casinos, social events, dancing, playing board games, and laughing. Dolores enjoyed Norman playing guitar and singing country music love songs to her. Dolores wasn't a fan of the cold but made several trips to Canada with Norman during the summers. She also went camping with Norman and his kids - roughing it! Norman's family loved Dolores very much. They spent over 35 happy years together. All of her love and kindness will never be forgotten. Dolores is survived by her son Jason, her sister Marlene, her brother Marshall, and her life partner Norman. Dolores Glantz's one piece of advice she always gave her son Jason, when he turned to her for guidance was, "Just take one day at a time."
