“ I am saddened to hear about the death of my beloved Uncle Donnie. You not only looked like my father but at times you acted like my father. We all loved you and so truly enjoyed your visits to Leavenworth. Thank you Uncle Donnie for being with our family when our father died. You were our strength. He loved you as we loved you. So make sure you two stay out of trouble. You are now with all of your brothers and sisters. You will be so missed. Love you always and forever..... Keith, Stephanie, Kristin, Kara and Kelsey
