“ When we were kids back in 1953 at Ft. Vancouver High School, we didn't get to know each other very well, although we had many things in common. Don and I were in competition for the same sweetheart - Joanne. But it is clear to me that the better man won. I have read the many testimonies in memory of Don, and I am clearly convinced that Don was a good human being, a follower of our Lord Jesus Christ, and possessed qualities that were unclear to me at that time but must have been clear to Joanne's Parents then. At this time in life, I am very pleased that Don got to spend 56 years of his life with Joanne and she with him. Surely. GOD has blessed them both. God Has blessed me also, with 47 years of marriage and this opportunity to see those close to my heart having prevailed in a darkened world. While Don. a light in this world, has moved ahead of us, I am certain that his light lives on in Joanne and their children. I pray for blessings of protection upon you all. DES
