“ My brother n law Don: a man that would help anybody at anytime, and not once complain about it. Undoubtedly the most giving and forgiving man I've ever known. He has taught me much about life and I have learned from him how to become a better person. I will miss him everyday. He was a wonderful man and an excellent role model. Thank you for all you have done for me and the life lessons I have learned from you. I love you Don.

“ I'll always remember his smile and how his smile made his eye light up... I loved his sense of humor, his devotion to helping others. He was a wonderful man and I will miss him. I'm blessed to call him my Uncle.
