

Donald Harry Martin

October 16, 1928 - January 26, 2026

Micah 6:8 "He has told thee, O man, what is good; and what the LORD requires of thee but to do justly and to love mercy and to walk humbly with your God."

Among many exemplary reports of enlisted performance evaluations were the following, "Chief Martin as the Leading Chief covers many duties of operating this general mess in the excellent to outstanding category. He supervises the training programs, food preparation food service, storage and cleaning yet has time to listen and give advice to subordinates in personal problems. Chief Martin's outstanding performance of duty, initiative, loyalty, dedication and enthusiastic attitude are but a few of the characteristics which have distinguished him as the military leader of this division." San Diego's commanding officer said: "During this time Martin has been an outstanding man. He has conducted himself in the highest standards of Naval tradition. His leadership, conduct, moral standards, loyalty and appearance have been an example to other men in his division." I am sure many of us have recognized those same qualities as we lived alongside this extraordinary man.
