“ *Darlene, so sorry to hear that Don passed away. Our love and thoughts and prayers are with you and the family. May you find peace in knowing others are upholding you as you walk through this difficult time. May the love of God and friends help heal the sadness in your time of deepest sorrow. Love supports and strengthens when it's hard to face tomorrow. Love surrounds and comforts with the promise to be there. Love sustains and hope returns through knowing others care. Have many special memories with Don and Darlene and sorry that it has been many years since we have lost the "good ole days". In fact, just read an old letter about our cruise..What fun! May our loving Heavenly Father surround you with love and comfort. Love in Christ, Bobbi*
