“ So many happy memories shared throughout the years when the Poulsen brothers(Don & Paul) and their families got together. Lots of love,food,fun and laughter. Late into the night playing cards, checkers,chess,etc.while catching up on all the news. Nothing but joyful times.

“ So many childhood memories surfaced when I heard the news of Uncle Don's passing. Most of those memories were of family get togethers; Uncle Don being chased into the cabin by hornets, or a cousin (who shall remain nameless) dropping Uncle Don's keys into the lake. Funny little snippets of times past. I shall always remember Uncle Don as the wonderfully sweet man he was.

“ My thoughts are with June and her family. It was a privilege to have spent time around Don to hear some of the great stories and wonderful smiles he wanted to share. Sincerely, Brandi Unable are the loved to die. For love is immortality. ~Emily Dickinson
