“ So enjoyed meeting Don and Marie in there home when we would go to Vancouver WA to visit our son, and at Conventions, they always seemed so happy to see us through the years. Don gave my husband such wise advice, that his help was in the Lord. He was always an encouragement to me, and will miss his emails greatly. I also met with his sister Ruth Larson in Tulare, CA and his brother Harvey and wife Shirley in CA when they would come to visit Ruth.

“ I didn't hear about Don's passing and missed his service. I recall a visit with him at Boring convention this past summer. He was so glad to be there. I remember being in Don and Marie's home for a few meetings when I was young, working at the clinic in Vancouver. It was a place I felt safe and so appreciated their welcoming kindness. Also met with Don's brother on Sunday mornings when we live in LA. Glad for a Heavenly Father who understands every heart and every life experience. May each one feel the comfort of the Lord in their loss.

“ The Sutliff Family hold a very special place in my heart. They are great friends and even more so when my sister and I were still in school. So much kindness and we did many things together in friendship and in faith. Even these last years Don always offered a warm smile and greeting. Will always remember him with love and fondness and all of the Sutliff family. Genuine!
