“ Always there with open arms. A shoulder to cry on, a friend to laugh with. He will be missed by so many but his memory will live on in our hearts. So blessed to have known such an amazing man. He meant the world to me. Everyone was family for him and I will appreciate that forever.

“ I'm going to miss "Uncle Don". When I think of him the first thing that comes to mind is the first words always out of his mouth, "Hey, kid". No matter how old I got. ;) I went to Prairie with his girls but knew him through working on the waterfront in Vancouver. My family and I have a special place for him in our hearts.
