

Donna L. Bones

October 5, 1948 - July 3, 2022

Donna Louise Bones, age 73, passed away July 3, 2022 in Vancouver, WA after a short yet courageous battle with lung cancer. Donna was born in 1948 in Hillboro, Oregon to parents Donald and Ruth Anderson.

She was always surrounded by her large family, being the second of five children.

Donna was known for her contagious sense of humor and quick wit. Even while Donna was fighting cancer, her nursing staff looked so forward to taking care of her. Many of them told us that she was their favorite patient. She was always cracking jokes, making everyone smile and laugh.

Donna is survived by her sister Gloria and her brother John, her 4 children Brian, Shawna, Dustin and Daniel and grandchildren Celina, Jessica, Devon, Alyssa, Zyla and Isabella and kitty Daisy.

"In life, we loved you dearly, in death we love you still. In our hearts you hold a place, no one else will ever fill. I cried endlessly when you died but I promise, we won't let the tears mar the smiles that you've given us when you were alive." -Unknown

“ So many to share so I'll share the first one have; I met Donna through my brother Frank, a trucker with her friend Cheryl Kopeks phone number. we arranged a date one evening for drinks and music at Donnas Home. With 2bottles of wine &a case of Rainier Beer as she requested, I knocked on the trailer door, as the door opened it suddenly slammed shut! I heard a woman shout, "OH MY GOD" they have short hair"! I asked my brother what now? he replied," try again. if they don't answer we can go to my house and just get drunk" I knocked again and when the door opened, an angel smiled at me and said," HI you must be Lee" so I said to her "You must be Donna"! It was love at first sight and I will love her for eternity! she's irreplaceable. Rest until we meet again my angel.
