“ *Grandma - Where do I begin...Not 1 days has passed since the day you left us that I have not cried. I miss your always listening ears, I miss how you always saw the positive in people, I miss your sense of humor and your constant patience with ours. None of us would be who we are without you and I will forever miss you until the day I join you and know that I love you beyond words. Keep an eye on us as I know you will and it's never goodbye...It's always see you later my beautiful Angel!*

“ Aunt Donna was an amazing woman was like a mother to me.  
There is a huge empty spot in our lives, but its a blessing knowing  
that she's finally earned her wings and looking down on us with her  
big smile and laugh. We are all blessed to have been loved by her.
