

Donna R. Fisher

September 29, 1937 - July 30, 2021

We say a loving goodbye to an incredibly strong, courageous and gracious lady, Donna Rae Fisher. She met her final challenge, a self-described "short and bumpy" journey, as she had all of those she faced in her 83 years: steadfast, slow and sure. Her incredible faith has carried her through many difficult days and she finished well. She touched thousands of lives on her journey and is remembered for her love, kindness, Godly counsel and spunk! Thanks to all of you who have been there for her through the years; your friendships were her greatest treasures.

She was born Donna Rae Lewis to Clarence and Elaine Lewis in Skellytown, Texas, September 29, 1937. Childhood years were spent in Oklahoma, Colorado, Wyoming and Montana with siblings Jim, Esther and Dan. Married in 1959 in Portland to Donald Fisher whose work carried them to Idaho, Alaska, Washington, Missouri, Mississippi, Oregon and California. Her life focused on raising her daughters Susan, Karissa and Ronna, but her writing and teaching gifts made room for her in every circumstance. Donna took great joy in her family of three daughters and their husbands, nine grandchildren and seven great grandchildren. Already her family misses her so deeply.
