“ *My mother was a wonderful, kind human being who never judged anyone and never complained. She never wanted anything from anybody. She was loved by so many. Her children and grandchildren adored her. I can never thank my brother, Donnie and especially his wife, Kim, for everything they have done for her over the years. I know that Mama is out of pain now. It brings comfort to all of us who have watched her suffer over the past five years. WE LOVE YOU MOTHER!* ”
