“ We just got in and saw your note ... what a long life she lived and one that was full of fun and laughter. I will always remember the fun we had and the stories she shared through the years. Not many friends have the kind of relationship with a great aunt as I did, and that was because she always went above and beyond in getting to Arkansas. I remember not that many years ago when Joanna, the kids and I drove down to a hotel in Little Rock to visit you guys as you drove through. Thankful for memories ... thankful for the 15 minute phone call I got to have with her a couple weeks ago. Tell the family I am praying and remembering you all. Love you, Janice ... and thanks again for letting us know. Love, Steve.. Great Nephew

“ Hey sweetie. I don't even know how to say how sorry I am to hear about Aunt Trixie. I guess I thought she and Daddy would live forever. Memories are flooding my heart right now. So many funny things and some sad but all good. She was a very special person to us and I am so thankful that she like to travel and came here so much or we would have never seen her. So glad that my kids have so many fun memories...her, mama and Auntie Rose were a hoot together. Laughing one minute, fighting the next but always loving each other. You will never know how many times something that one of them had said comes up in our family and the laughing just fills the room. Mostly about one or the other of them peeing in their pants. Right now I am laughing through my tears. I guess I chose to remember her as she was the last time she was here and that she knew how much she was loved. We love you and are thinking and praying for all of you. I know it's hard. Cheryl.. Niece
