“ *Tami, I am so sorry to hear about your grandma and grampa. I just now was able to locate information on them and was heartbroken to learn of their passing. I know you will miss them terribly. Both of your grandparents were totally memorable people. I loved them both. (Especially when your grandma was gonna take the broom down to your mom lol).. I "believe" that was at your wedding.. Anyway, I know you will always miss them and your dad. I hope your kids provide you with their necessary distractions to help the time ease your pain. An I hope this finds YOU and yours happy and healthy. Love Brandy*

“ *To the family our prayers are with you in this time of sorrow. She was a great lady and had a wonderful spirit. We know she is with the Father now and Delbert.*
