“ Hey there momma, I'm just stopping by to say hello. I miss you so much these days it's crazy. I know that you are probably doing well. I'm grateful you are pain free, you deserve it. Well I don't wanna say too much because I don't wanna break down and still just your memory and you not being here saddens me deeply. So, I just wanted to tell you I miss you, I'm doing well for the circumstances, and I absolutely can't wait to be in your embrace again. Well momma, until we meet again. I love you more than all the grains of sand in the world!!!! :) <3 Forever Your Baby Girl, Alexis Michelle Holland :) <3

“Doris was a special person, much loved by our family. Carrie, James, Alexis, Nova, Dominique, Whitney and Emma - you are all in my prayers during this very sad and difficult time. Despite my sadness, I rejoice knowing that Doris is in Heaven, made whole and healed, and we will see her again.
